Physics Foundation Program 2017-2018

(For students entering IXth standard in June-2017)

- This program is meant for students having a **genuine** interest in Physics. We expect such students to be **self-motivated** to put in a lot of hard work.
- A student having an above average performance in the Mathematics foundation program at **M. Prakash Academy OR Potnis Mathematics Foundation OR Bhaskaracharya Pratishthana** will be given direct admission to our course. For others, admission will be given after a meeting/talk with the student.

- The program has **NO** connection with enhancing the performance of a student at his regular school examinations. The intention of the program is to make a student capable of understanding Physics to a good conceptual depth & to be able to apply it to solve high-level analytical problems.
- The program is intended to provide a strong **foundation** for further higher level studies in the XI/XIIth standard, eventually targeting entrance exams like **JEE-Mains, JEE-Advanced, KVPY** & the various **Olympiads** where a **deep** understanding of Physics is utmost necessary.

- The course will start from **11-June-2017** onwards at our FC road premises. The batch timings will be **Every Sunday 11:45 AM to 02:00 PM.**
- Printed/Xeroxed assignment sheets will be given to the students as per the topic flow. Some good reference books will be recommended which are to be bought by the students at their own expense.
- The first 4 lectures will be **FREE** for all students to judge whether the course suits their needs, interests & capabilities.
- Fees for the course (**June-2017 - March-2018**) = **13000/- + 15% Service Tax.**
- Fees to be paid as a post-dated cheque of **14950/-** dated **03-July-2017** during the admission time.
- A parents meeting will be held to discuss the details & to address specific queries etc. The schedule of the meeting will be conveyed to the parents who have **registered** with us.
- **To register:** - Send a sms to 9822793601 with students name, school name & **current** standard.
