Physics Foundation Program 2021 - 2022

(For students entering IXth standard in May/June-2021)

- This program is meant for students having a **genuine interest** in Physics. We expect such students to be **self-motivated** to put in a lot of hard work.
- A student having an above average performance in the Mathematics foundation program at **M. Prakash Academy OR Potnis Mathematics Foundation OR Bhaskaracharya Pratishthana** will be given direct admission to our course. For others, admission will be given after a meeting/talk with the student/parent.

- The program has **NO** connection with enhancing the performance of a student at his regular school examinations. The intention of the program is to make a student capable of understanding Physics to a good conceptual depth & to be able to apply it to solve high-level analytical problems.
- The program is intended to provide a strong **foundation** for further higher level studies in the XI/XIIth standard, eventually targeting entrance exams like **NEET, BIT-SAT, JEE (Main & Advanced), KVPY** & the various **Olympiads** where a **deep understanding of Physics** is utmost necessary.

- The course will start from **13-June-2021** and will be offered in a hybrid (mixed) manner. Primarily it will be conducted as a classroom course at our FC Road premises but it will also be **streamed online (live & interactive)** for students attending from far/remote locations.
- **Batch timings will be every Sunday 11:45 AM to 2:00 PM.**
- Printed/Xeroxed assignment sheets will be given to the students as per the topic flow. Some good reference books will be recommended which are to be bought by the students at their own expense.
- The first 4 lectures will be a sort of a **trial** for all students to judge whether the course suits their needs, interests & capabilities.
- Total fee for the course (**June-2021 - March-2022**) = **20060/- (17000/- + GST).**

- **Few rounds of online parent meetings/webinars will be held in the near future to discuss the details & to address their queries etc. The schedule of such meeting will be conveyed to those who would be registered with us.**
- **To register:** - Send a sms to 9822793601 with students name, school name & **current** standard. **Example :- "Aryan Melinkeri, Vibgyor High, Std VIII."**
