## ***2 Year Training Program in Advanced Physics for IIT-JEE 2019.***

- We are happy to announce our 2 Year Training Program in *Advanced Physics for IIT-JEE 2019*, for students entering XI<sup>th</sup> standard in June-2017.
- This program is designed to cater to the needs of a self-motivated student who has a sincere interest in Physics and is seriously preparing for competitive exams like JEE, BIT-SAT, and Olympiads like INPhO, APhO and the IPhO ...
- We assume that such a student would have enrolled in some other coaching institute but is looking for a higher level, deeply conceptual & rigorously analytical problem-solving approach for mastering Physics.

- The batch timings will be **06:00PM to 08:45PM**, every **Monday & Wednesday**.
- **If an adequate number of students are interested then we will start a morning batch too. It's days/timings will be fixed after consultation with all involved.**
- Each lecture session will typically contain in-depth theoretical treatment for the ongoing topic followed by rigorous problem-solving exposure.
- For a **new** student the course will start from **01-May-2017** onwards.
- Our own foundation students can join the program from **05-June-2017**.
- Printed/Xeroxed problem sheets will be given to the students as per the topic flow. Some reference books will be recommended to be bought on your own.
- Monthly tests will be held to monitor the performance/progress of the batch. Results of such tests will be put on our website for parents to view it.
- Periodic parents meeting will be held to keep everyone updated about the course progress & any other relevant issues at that time.

- The course fees will be **75,000/- (Excluding applicable Service Taxes)** for the entire 2 year duration i.e. from May-2017 to May-2019.
- A discount of **Rs 10,000/-** will be given to students who are already undergoing Physics foundation program with us in their X<sup>th</sup> standard, **only** if they confirm their admission before **31-October-2016**.
- In **all** cases:- **45,000/-** (+ service taxes) has to be paid at the time of admission and the remaining by a post dated cheque of 31-December-2017.
- Interested **new** students will have to clear a **well-designed** screening test to get admission to the batch. To register for this test a student (his/her parent) should send an sms to 9822793601 with student's name, school name & current standard. For example :- "Kaustubh Ponkshe, BalShikshan English Medium School, Std X<sup>th</sup>."
